Traditional appeal beacons with welcoming front porch and spacious rear covered porch. Inside the 10' volume ceilings in great room, dining, foyer, kitchen, and breakfast produce unparalleled opulence while the 9' ceilings in the remote master suite, garden bath, inside laundry and spare bedrooms keep this feeling throughout. The palatial master bath includes his/hers vanities, garden tub with bump out, stand alone shower, and large walk-in closet. Plant shelves, arches and art niches provide the finishing interior touches.
